Re: The Corporate Caterer (Expires: 31/08/2012)

To whom it may concern

This is to confirm that **The Corporate Caterer**, who are specialists in catering, are Muslim owned and managed by **Tasquia Cader** and produce products that are Halaal, pure and permissible for consumption. We have no doubt in their integrity and sincerity to serve Halaal products to all. It is for this reason that we recommend them to all interested in their products and services.

We thank you and pray that all goes well.

Thanking you in anticipation,

We remain,

Yours faithfully,

(EBRAHIM ADAM)

ON BEHALF OF THE MASJID COUNCIL
